

Dear Sir or Madam,

I frequently shop in your store and I would like to request that you carry my favorite kettle corn of all time, MANNA, by DemWhit's. The flavor is sweet, savory, buttery, and also has a subtle kick.

What makes it even more desirable is the fact that it is 100% SuperNatural. The company is very health conscious and produces MANNA with Grapeseed Oil, which is gourmet oil with health attributes such as Vitamin E and Omega 6 fatty acids.

You can also place MANNA in a conventional oven for a warm, homemade appeal, without using a microwave!

Thank you for your time and attention. If you would like to learn more about this product please visit [www.demwhits.com](http://www.demwhits.com).

All the best,
